

2019/20 SFE FUNDING
LIVING AWAY FROM PARENTAL HOME

Household Residual Income	Tuition Fees Loan Paid direct to University	Maintenance Loan	
		Outside London	London
£25,000 & below	£9,250	£8,944	£11,672
£30,000	£9,250	£8,303	£11,020
£35,000	£9,250	£7,661	£10,367
£40,000	£9,250	£7,019	£9,714
£45,000	£9,250	£6,377	£9,062
£50,000	£9,250	£5,735	£8,409
£55,000	£9,250	£5,093	£7,756
£60,000	£9,250	£4,452	£7,103
£65,000	£9,250	£4,168	£6,451
£69,888+	£9,250	£4,168	£5,812

These figures are a guide only. Awards are based on actual assessed household income as calculated by Student Finance England.

Household residual income – based on 2017/18 taxable income (usually parent or partner), less allowances for pension, superannuation and other children.

Tuition Fee Loan – not based on household income.

Maintenance Loan – Outside London - students with household incomes between £25,000 lose £1 of loan for every complete £7.79 of income above £25,000 until they receive 46.6% of the maximum at which point there is no further deduction.

London - students with household incomes between £25,000 lose £1 of loan for every complete £7.66 of income above £25,000 until they receive 49.8% of the maximum at which point there is no further deduction.

Paid direct to student in three instalments; September, January & April.

Repayment - will start in the April following graduation (or earlier if course abandoned) providing the student earns more than £25,000.

Repayment is at 9% of income over £25,000.
